

## Assembly Bill No. 1888

### CHAPTER 267

An act to add Section 1577.5 to the Code of Civil Procedure, relating to unclaimed property.

[Approved by Governor August 30, 2000. Filed with  
Secretary of State August 31, 2000.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 1888, Dutra. Unclaimed property: escheat.

Under existing law, property that is held by a business that is unclaimed for more than specified periods escheats to the state. Existing law requires persons holding unclaimed property to report and deliver it to the Controller within the time prescribed, and imposes interest payments at the rate of 12% per annum and penalties for a failure to do so.

This bill would provide that any person who pays or delivers property to the Controller on or before December 31, 2001, in accordance with the requirements of the bill shall not be subject to statutory interest payments for failure to pay or deliver unclaimed property. The bill would also require the Controller to publicize its provisions, report to the Legislature regarding this program, as specified, no later than December 31, 2002, and provide that it does not preclude liability with regard to false claims.

*The people of the State of California do enact as follows:*

SECTION 1. Section 1577.5 is added to the Code of Civil Procedure, to read:

1577.5. (a) Section 1577 shall not apply to, and interest shall not be imposed upon, any escheated property paid or delivered to the Controller at any time on or before December 31, 2001.

"Audit by the

Controller” means a formal field audit of the propertyholder’s books and records by audit personnel of the Controller’s office for the purpose of determining compliance with this chapter.

(2) The property was required to be reported on or before November 1, 1999.

(3) The property is surrendered directly to the state or its authorized agent.

(4) Reports respecting the property are reported by electronic media satisfactory to the Controller, provided that paper reports shall be permitted with respect to holders reporting fewer than 50 accounts or other items.

(5) All property reported after the effective date of this act shall be reported on a report separate from property currently reportable, and may not be reported with property not eligible for the amnesty program.

(6) The property is paid or delivered to the Controller at the time the report is made.

(7) Securities are remitted in accordance with Section 1532.

(8) Records shall be maintained in a manner satisfactory to the Controller, to permit verification and compliance audits.

(c) Nothing in subdivision (a) shall create an entitlement to a refund of interest paid to the Controller prior to the effective date of this section.

(d) The Controller shall conduct an outreach and publicity program regarding the provisions of this section.

(e) The Controller shall submit a report to the Legislature on the amnesty program. The report shall include a comprehensive accounting of all unclaimed property surrendered under the amnesty program, the date the property was surrendered, and the identities of the holders of surrendered unclaimed property. The report shall be published no later than December 31, 2002.

(f) Nothing in this section shall preclude liability pursuant to Article 9 (commencing with Section 12650) of Chapter 6 of Title 2 of Division 3 of the Government Code regarding false claims. Reporting or filing extensions shall not be granted for property under this section.
